We are extremely happy in releasing the newsletter, highlighting the activities of the college between September 2020 and December 2020. For me, one of the most important of our learning essentials is that students are learning though having high quality teacher-student relationships. The editor congratulates the staff and students whole-heartedly for their participations in various events viz. Workshops, Seminars, Symposia and Fine Arts etc. Today's students are tomorrow's leaders.
