Prof Madhu Sriwastav, Head of the Department of English gave the welcome note. The seminar was inaugurated by the encouraging words of principal, Dr. Subhash Biswas. Prof Ashis Biswas of the Department of English, BHKM presented a paper entitled ‘Staging of Macbeth: A Study of its Adaptations in Modern Theatre and Cinema’ that gave the students a fair idea of the manner in which *Macbeth* has travelled across the globe and been adapted in various cultures on stage and films. After this engrossing paper a scene of Macbeth, with necessary editing was staged by students of the Department of English . They had been guided and trained for the performance by Prof Madhu Sriwastav, Head of the Department of English. It was a remarkable performance and they received a standing ovation from the audience. Students had worked really hard under the direction of their teachers and made a mark.

The performance was recorded by some and later uploaded on YouTube. This is the link- [B.H.K.MAHAVIDYALAYA-MACBETH - YouTube](#).
