Seminar Session

The Dept. of education of BHKM organised at the seminar hall an **'Orientation of Department of Education And Certificate ceremony of Spoken Tutorial** Dated 2.08.2018 at the seminar hall from 12.noon. Prof Sumita chatterjee HOD Department of Education initiated the programme by introducing the distinguished guest and requested the principal Dr S.Biswas to inaugurate the programme .Mritunjoy Mondal President GB BHKMahavidyalaya as a chief guest mentioned that it is very important to focus in the computer training of the students .He futher mentioned that Computer can improve the student learning and basic skill **area**. Computers not only improve the learning process; it also increases retention of the students. Effective and adequate teacher learning is an integral element of the successful learning program. Then Prof chatterjee requested the principal to present his valuable opinion regarding syllabus orientation and importance of computers and suggestions for the students. He further discussed that Computer can be used for online education & research. With the help of the internet, students can find useful information about their projects, assignments and also can take useful help from other researchers as they store & organize their research materials in computers. If people in rural area become computer literate, then they can acquire knowledge in various fields like **education, agriculture, business, and health & government sector**. Therefore, we can see a novel and developed India. Agriculture is the backbone of Indian economy. Then Spoken tutorial computer certificate was given to the qualified students and non -teaching staff of the college. The programme ended with the vote of thanks of Sumita Chatterjee HOD Department of Education.

This is to express thanks and appreciation to **Prof. Sumita Chatterjee**, for spreading awareness and holding Software Training workshops at **BAMANPUKUR HUMAYUN KABIR MAHAVIDYALAYA**, Bamanpukur, WB.

You are making an outstanding contribution of using ICT based teaching and learning methodology for students of West Bengal from last one year. Your contributions to the implementation of Spoken Tutorial Project are significant and have played a part in it becoming fastest growing NMEICT Project. Your excellent skills and courteous personality has helped tremendously in spreading awareness of Spoken Tutorial IIT Bombay.

I would like to personally thank you for contributing to the software training and awareness events in your Institute.

This work was done in association with the Spoken Tutorial IIT Bombay. As part of the National Mission on Education through ICT, funded by MHRD, Govt. Of India.

I am sure that we will continue to get your continued support for making India IT literate and spreading project existence in state of West Bengal.

Thanks & regards,

Shyama Iyer
