INTRODUCTION AND ORGANIZATION

The Seminar and Research Forum of Bamanpukur Humayun Kabir Mahavidyalaya along with NSS and students welfare cell organised Seminar on Flag Day of QuamiEkta (sponsored by NFCH ,New Delhi) and National Education Day . The requisite permission was sought from the principal of the college for the same, and the allotment of time and date was confirmed Notice and programme brochure were circulated to the students and the teachers accordingly. All the Resource Persons accepted the proposal and confirmed the presence.

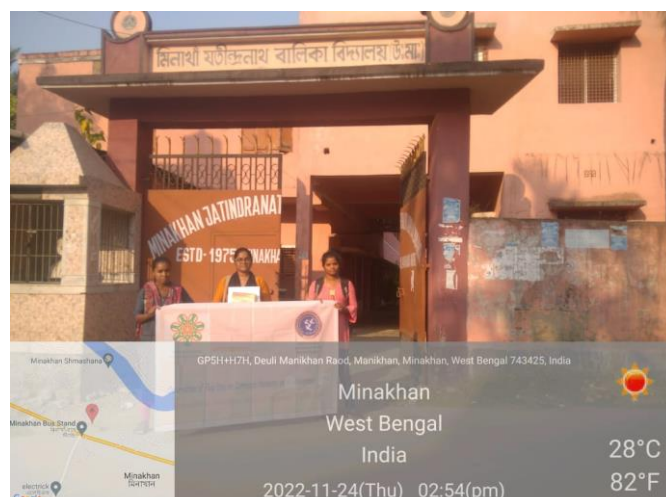

THE PROGRAMME SESSION:

The programme started with the inaugural speech of organizing secretary S.Chatterjee .Later on drawing exhibition was inaugurated by the guest .After the inaugural song Dr.S Biswas Principal BHKM ,as a keynote speaker explained that It is celebrated to foster and reinforce the values of communal harmony and unity in diversity in India. It becomes very important for school children and college students to learn and celebrate these activities on Quami Ekta week and inculcate the values so that they grow up to be better citizens. The felicitation session was done by Prof Ashis Biswas ,member NSS advisory body.Next in Technical session one ,Srabanti Mukhopadhyay explained the utility of values in Indian education along with the contribution of Indian cinema in inculcating values . In Technical Session two,Md Obaidur Rahaman in his paper discussed the importance on NSS in the life of the student.National Service Scheme (NSS) was introduced in 1969 with the primary objective of developing the personality and character of the student youth through voluntary community service. 'Education through Service' is the purpose of the NSS. The ideological orientation of the NSS is inspired by the ideals of Mahatma Gandhi.Prof Sumita Chatterjee discussed the importance of National Education Day, in India is observed on November 11 every year to commemorate the birth anniversary of Maulana Abul Kalam Azad, the first minister of education of independent India. November 11, 2023, marks the 13th National Education Day of Independent India. Since 2008, November 11 has been commemorated as National Education Day to honour the birth anniversary of independent India's first education minister, Maulana Abul Kalam Azad. He has made significant contributions to education, nationalism, and institutional development. He is India's prominent educational architect. Azad believed that schools are laboratories where the country's future people are created. He is the brains behind the Indian Institutes of Technology (IITs). Then in second session prize distribution ceremony was organized y Dr Ajijul Haque Mondal.The programme ended with the vote of thanks by Dr Arghadip Paul IQAC co- Ordinator BHKM .
