The Department of Education of Bamanpukur Humayun Kabir Mahavidyalaya along with NSS organised extension programme world bicycle day to save environment, and proposed date for the visit was settled. The requisite permission was sought from the principal of the college for the same, and the allotment of time and date was confirmed Notice and programme brochure were circulated to the students and the teachers accordingly. All the Resource Persons accepted the proposal and confirmed the presence.

THE PROGRAMME SESSION:

The theme for the year 2022 for World Bicycle Day is to celebrate the bicycle's originality, diversity and endurance being utilised for more than 200 years. World Bicycle Day is marked on 3rd June every year to recognise bicycling as a way to get a sustainable form of travelling that also ensures one's physical wellbeing. The day celebrates the tradition of cycling and its significant role in keeping our health fit. World Bicycle Day becomes all the more significant with the growing concerns around the lack of physical activities among people and its health hazards. A cycle is a clean, affordable, and environment-friendly mode of transportation and promoting its use contributes to the conservation of nature and achieving cleaner air and environment. Moreover, encouraging the poorest section of the society to use a cycle might also help reduce cases of heart disease and diabetes. S. Biswas inaugurated the programme. The students along with Prof Sumita Chatterjee went to Christian Para for visit adopted village of NSS with a social message.
