Chairperson Dr.Subhash Biswas Principal BHKM, discussed about the life of Netaji ,as a respected freedom fighter of India whose has become a legend due to his uncompromising patriotism and his death in the mysterious circumstances. Decades after his death in a plane crash, there were unconfirmed reports of his living in disguise at some isolated location. However, such claims were never substantiated. Resource Person Prof Prasanta Pal Assistant Professor Department of History, Gokhale Memorial girls college described about the Fearless Patriotism of Netaji. It is not that Subhas Chandra Bose didn't approve of other methods of freedom struggle, like non-cooperation; in fact, he was even jailed for taking part in the non-cooperation movement.While, in Indian National Congress, Subhas, worked in close coordination with both, Mahatma Gandhi and Jawaharlal Nehru. Somewhere down the line; however, he found Gandhi's methodology too lenient on British. In his opinion, there was a need to gain freedom on our own terms and conditions, even if it required an armed uprising. He had warned Gandhi and others, which freedom gained on the terms of the British, will have many drawbacks. However, because of Gandhi didn't approve of his ideology, Subhas Chandra Bose had to resign as the President of Congress, despite having a majority of supporters. The congress was split and Subhas formed the faction – All India Forward Bloc. He further concluded that, Bose died in a plane crash in Japan on 18th August 1945. He was only 48 then. The great son of the soil who gave up his all to see the country free, died just two years before Independence. Never the less, he will always be remembered for his unwavering courage and nationalism.The programme ended with vote of thanks by Dr ,Arghadip Paul.
