(Extension Cell)

On the Day of the Rally students gathered at the college campus and made two cues. Many among them held the festoon where the slogans appropriate for the occasion. All the teachers and Non-Teaching Staffs present on the day came to participate in the rally. Total 156 students and 11 teaching and non-teaching Staffs participated in the rally. The Principal of the college, Dr. Subhash Biswas, gave his inaugural speech on the importance of water harvesting and tree plantation to save the existence of humanity and the environment. Thereafter, the Principal flagged off the rally commenced at 11.15 am. All the participating students and teaching and non-teaching staff enthusiastically became part of the rally taking a strong message to the outside locality around the college campus. The Food Safety Officer of Minakhan R. H., Mr. Samiran Sarkar who came to take part in the seminar on the Food Safety to held after the rally also briefly took part in the procession. The rally continued from the college campus to Christian Para and the way back to the college campus. People gathered on the side of the road in the market place and other areas near to the college to watch the rally. The purpose of the rally was to take these programmes to the people of the locality outside the college campus. The Rally after completing its tour from the Christian Para reached at the college campus at about 12.00 pm. The students again gathered in the college campus in cues. The convenor of the Extension Cell and the organising secretary of the programme, Ashis Biswas then gave the vote of thanks to all the present teachers, non-teaching staff and students and the organising committee members. After that the rally was disbursed and students went to the seminar hall to participate in the seminar of Food Safety organised by the Health and Hygiene Cell of the college.
