Objective of the Competition: Department of Bengali, BHKM was organized a Quiz, Debate and Extempore programme for all honours students on 17th February, 2023 at room number 12 of the college premises. Time was 12.00pm to 1.00pm.

Topic of the debate was ‘Women’s Empowerment’ (নারীর ক্ষমতায়ন). Twenty students were participated in the programme. 12 students were in favor of women’s empowerment and 8 were against.

Our aim about women’s empowerment was defined to promoting women’s sense of self-worth, their ability to determine their own choice and their right to influence social change for themselves and others. It is closely aligned with female empowerment, a fundamental human right that’s also key to achieving a more peaceful and prosperous world.

Women's empowerment and promoting women's right have emerged as a part of major global movement and is continuing to break new ground in recent years.

Outcome: In the context of our college, Women's empowerment is a less practiced subject. But after the competition, students were realized that, the gender equality is a basic human right and it is also fundamental to having a peaceful and prosperous society in the country as well as the world.

The students were realized that, in the developing world, girls and women's are often seen as less valuable than boys in our society.

They went home with at least one message that, women's rights need to be protected.
