BDO provide a certificate for our work as recognition mark.

**Number of Students participated for the campaign and Fund Collection:** Fifteen (15)

**Objectives of the Programme:** Promoting communal harmony and national integration, through the campaign Programme which will highlight and strengthen the bonds of unity and affinity amongst different religious and social groups in our state as well as our country.

**Programme outcome:** We have had both positive and negative experiences with communal harmony and fund collection programme. We did not get any form of cooperation from Bamanpukur Police Station. But they had no objection in running the programme. On the other hand, people from BDO, BLLRO and Bamanpukur Bazar committee have highly appreciated our efforts. However, if even two or four people understand our efforts towards communal harmony then the programme can be considered a success.
