## **Report of the programme: Online Photo Exhibition to observe ‘World Environment Day’, June, 2021**

Organized by: **Environment Cell**

Date: 05.06.2021.

Time 11 a.m. to 12 p.m.

Venue: Online google meet platform

Organizing Secretary: Dr. Runa Das Chaudhuri

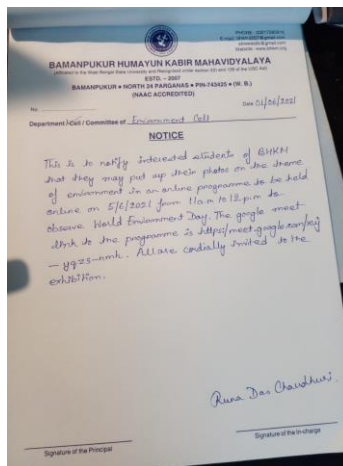

Report prepared by: Dr. Runa Das Chaudhuri

### **Introduction**

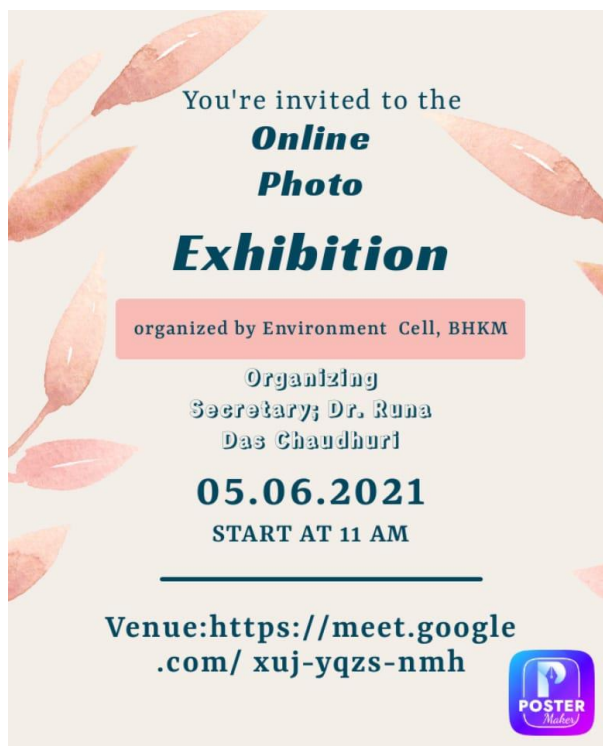

In 2021, the World Environment Day activities was hosted by Pakistan and the theme was ‘Ecosystem Restoration.’ The term ‘Ecosystem Restoration’ means to assist in ecosystems’ recovery, which have been degraded by deforestation, pollution, and other human activities. It can also be promoted by taking measures to conserve the ecosystem which is still intact. Ecosystem restoration can take place in other ways including planting trees, greening cities, changing diets or cleaning up rivers and coasts, and rewilding gardens. Rich biodiversity and green ecosystems yield immense benefits.

The ongoing pandemic has reminded us of the harm we have caused to Mother Earth and how essential it is to protect the environment.

### **Details of the programme:**

The Environment Cell, Bamanpukur Humayun Kabir Mahavidyalaya decided to organize and put up an online photo exhibition to observe 'World Environment Day, on 5<sup>th</sup> June, 2021. The programme started at the scheduled time. A total of nine students participated in the programme. However due to some technical glitches in bandwidth, 3 students were not able to exhibit. The photos of 6 students were exhibited and the students enthusiastically participated in this exhibition. The photos *clicked by Sannyasi Bisai, Dipanwita Mondal, Chanda Mahato, Sherin Sahani, Manika Sardar and Suhana Parvin are displayed in this report.* The first round selections were made by Dr. Runa Das Chaudhuri, Convenor, Environment Cell, BHKM. from online submissions of photos posted in a whatsapp group. The programme ended with a vote of thanks praising students for all their efforts in putting up this unique programme.
