Introduction

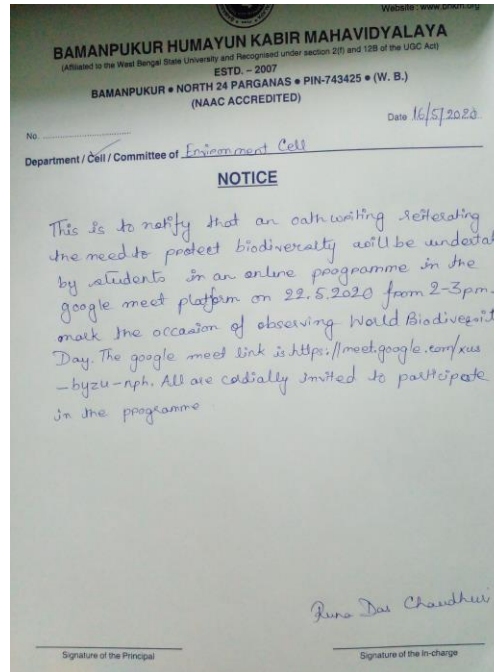

The United Nations has proclaimed 22nd May 'The International Day for Biological Diversity (IDB) to increase understanding and awareness of biodiversity issues. The theme of World Biodiversity Day, 2020 was the slogan “**Our solutions are in nature**”. It emphasises hope, solidarity and the importance of working together at all levels to build a future of life in harmony with nature. 2020 is a year of reflection, opportunity and solutions.

Objectives:

Biodiversity conservation has three main objectives:

- 1.To preserve the diversity of species.
- 2.Sustainable utilization of species and ecosystem.
- 3.To maintain life-supporting systems and essential ecological processes.
