**Rapporteur's report**

**Inaugural Session: 12.00p.m.-12.25 p.m.**

The webinar was started by greetings & warm welcome to every participants and anchored by Sukanya Mallik, Librarian and Member, ICT- MOOCs Cell, BHKM. Dr. Subhash Biswas, Principal of BHKM was invited then on stage to deliver the welcome address. He described how ICT enables self-paced learning through various tools such as assignment, computer etc as a result of this the teaching learning enterprise has become more productive and meaningful.

The next speech was given by Dr. Arghadip Paul, Coordinator, IQAC, BHKM. He told about his experience of a workshop on Artificial intelligence (AI). He told that ICT offer effective support for online learning and teaching, including personalizing learning for students, automating instructors' routine tasks and powering adaptive assessments

Next speech was given by Smt. Sumita Chatterjee, Programme Officer, NSS, BHKM. She described how ICTs can enhance the quality of education in several ways by increasing learner motivation and engagement, by facilitating the acquisition of basic skills, and by enhancing teacher training.

Last speech was given by Ashis Biswas, Convenor, ICT, MOOCS Cell, BHKM. According to him, ICTs are the transformational tools which help students to become competent and confident users who can use the basic knowledge and skills acquired to assist them in their daily lives.

## **Technical Session on IT Training and Placement**

**by Uebol-IIT Resource persons**

**Time: 12.25-12.55 pm**

At first the introduction was given by Suman Mandal, Graphic Designer, Uebol-IIT. Then they displayed the power point presentation regarding their courses and softwares. They described the role of IT in education and then gave the description of their companies and the courses which are offered by Uebol IIT. They said about the art of graphics which are imp. And also gave idea on programming language including translation. They gave emphasis on role of digital marketing, role of social media and importance of IT to maintain the GDP.

They offer 3 teacher policies:

- Teach
- Guide
- Doubt clearing classes

Finally they told about their placement policies and the cost of their courses. They stated about their discount on courses and gave a code to the students so that they can avail the discount.

### **Conclusion**

It can be expected that after completion of the workshop, participants felt more confident to incorporate ICT tools which will improve their creativity and motivation, resulting in more engagement and higher motivation for the learning process.
