Student Representative	Soma Mondal	Registration No:1212221100026

Bamanpukur Humayun Kabir Mahavidyalaya

Counselling, Guidance, Placement and Student Progression Cell

The Counselling, Guidance, Placement and Student Progression Cell of Bamanpukur Humayun Kabir Mahavidyalaya is always on hand to help and assist the students to face the challenges of overcome the difficulties that they face in their daily life. The Counselling Cell formally came into existence in 2019 and since then it has undertaken counselling, educating and fostering the skills that enable the students to face life with confidence. In doing so the Cell has developed **two broad objectives:**

- 1) To help the students to solve their personal problems and helping them overcome those in turn motivating them to develop proper life skills.
- 2) Raising student awareness of potential job alternatives and assisting them in determining professional goals

Since psychological wellbeing is one of the determinants of academic performance, the Cell has placed emphasis to promote in the students positive behaviour changes, improving the student's ability to establish and maintain relationships socially, promoting their decision making process, helping the student to understand their own potential and cope effectively with the problems they face. To this end, the Cell has organised a tele-counselling week to enable

the students to have positive outlook and feel optimistic in the time of Covid pandemic, a stress management workshop and a webinar on how to deal with stress in times of Covid.

The Counselling, Guidance, Placement and Student Progression Cell also aspires to create a bridge between the worlds of work and education, making it advantageous to the students. Every year, a number of organizations are invited to the college to conduct awareness programmes on digital education, hospitality management etc. On regular basis, the cell also organizes numerous lectures by career counsellors to ensure that the willing students have a bright future and greater job opportunities.

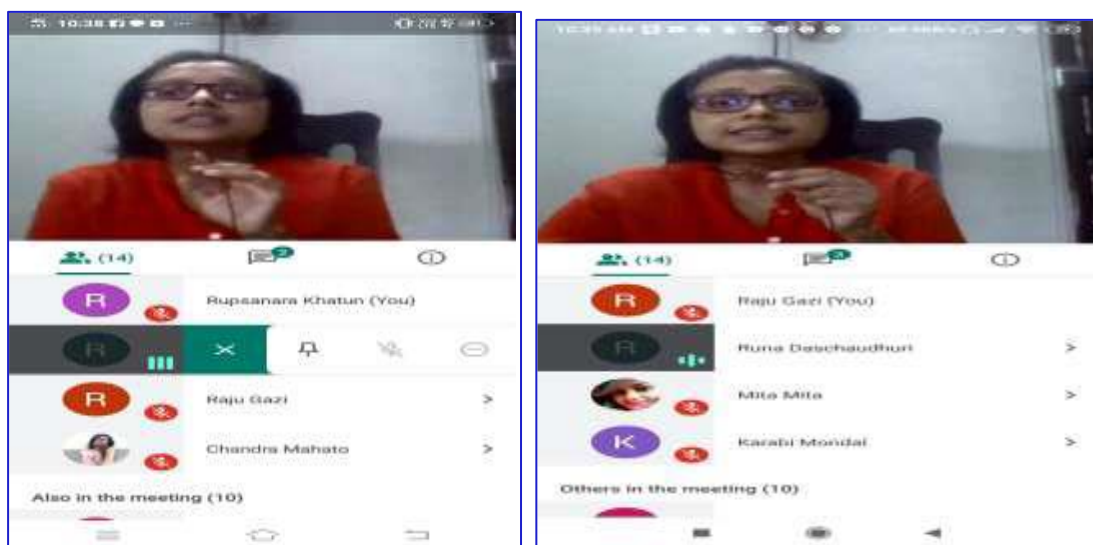

Programs organized by the Counselling, Guidance, Placement and Student Progression Cell:

Sl.No.	Date of programme	Title of the programme	Collaborating Institution/Organization	Organizing Secretary
