where the mind  
is without  
fear

and the head is held high  
where knowledge is free  
where the world has not been broken up into fragments by narrow domestic walls  
where the words come out from the depth of truth  
where tireless striving stretches its arms towards perfection  
where the clear stream of reason has not lost its way into the dreary desert sand of dead habit  
where the mind is led forward by thee into ever widening thought and action  
into that Heaven of freedom  
My Father  
let my country awake

### **Best practices are perceived to have specific characteristics.**

Best practice refers to some consistent practice that is followed regularly by someone or a number of people. Best practice must teach people, or groups of people, to work together, following consistent rules. The experience of working in this continuous and organized manner enhances the experience of working in the field of manpower. Bamanpukur Humayuan Kabir Mahavidyalaya has a tradition of continuity of best practices. This continuity has been fully continued since the beginning of the college.

The Bengali Department of the college is no exception. Since 2007, the Bengali Department has been moving forward through various best practice. These best practices are cultural as well as educational. The Bengali Department organizes various programs every year on Rabindra Janma jayanti, Baishe shraban, International Motherlanguage Day etc. Apart from this, library day, quiz, debate, extempore, publication of departmental wall magazine also organized. These best practices continued in on-line mode during pandemic period.

Each best practice teaches students to work collaboratively as well as enrich their hand-on experience. Moreover, each best practice strengthens the sincere relationship between teachers and students. Judging from this point of view, many practice are an important part of the college teaching, student teacher relationship, tradition etc. Since this college is located in a remote village environment, most of the

students here are socials behind. These best practice take an important step in bringing them closer to their education. Following is a brief report of the Best Practices organized by the Department of Bengali of BHK Mahavidyalaya-
