Infrastructure and other Facilities

(2017-2024)

ACADEMIC FACILITIES

1. Class Room

The College has 19 classrooms in its old building and 14 classrooms in Annex building. Classes are conducted with the help of white board and we have done away with chalk duster process for a safe and hygienic classroom environment. There are 3 ICT enable classroom including Principal's chamber which is used for talking classes by Principal and some of which provide the facilities like usage of smart board, interactive white board, projector, computers, and audio system and so on.. College offers a video classroom facility to the students which integrate various IT components to support interactive and engaging remote learning experiences. Digital whiteboard software is used by faculties for real-time annotation and collaborative note-taking.

Smart classrooms

Students are in IT classrooms and giving examination in traditional classroom
