HIGHLIGHTS OF SWACHHTA PAKHWADA 2019

Swachh Bharat Abhiyan (SBA) or Swachh Bharat Mission (SBM) is the nation-wide campaign India for the period 2014 to 2019 that aims to clean up the streets, roads and infrastructure of India's cities, towns, and rural areas

Swachhta Pakhwada started in April 2016 with the objective of bringing a fortnight of intense focus on the issues and practices of Swachhata by engaging Government of India (GOI) Ministries/Departments in their jurisdictions. An annual calendar is pre-circulated among the Ministries to plan for the Pakhwada activities. The Pakhwada fortnight, observing ministries are considered as Swachhata Ministries and are expected to bring qualitative Swachhata improvements in their jurisdictions. The Pakhwada fortnight for Departments under Ministry of Defence during 2019 is the second fortnight of August

THE PROGRAMME SESSION:

On 5.8.2019 Swachhta Pakhwada was conducted by Department of Education and NSS. All NSS volunteers participated in the cleanliness drive organised by the institution under the programme 'Swachh Bharat Abhiyan'. The programme began with the garlanding of the picture of Mahatma Gandhi. Students cleaned the campus and raised the slogan 'One step towards cleanliness'. The campaign was inaugurated by Principal BHKM. Then the students moved to Kanmari School with organizer Sumita Chatterjee and Madhu Sriwastav. The NSS volunteers participated in creating awareness among public, informing them about the importance of cleanliness. The students also took the initiative to clean the surroundings of vicinity. The volunteers cleaned the village wearing gloves and collected all the litter in big bags for disposal. The volunteers were instructed to clean their hands with soap at the end. Refreshments were distributed to volunteers. We thank the Management, Staffs and Students for giving their valuable support to make the NSS activity a grand success.

Swachhta Abhiyaan at Kanmari School

In compliance with the Government directives, Swachhta Pakhwada has been observed in BHKM Mahavidyalaya every year since its commencement. However, the college has taken up Swachhta Abhiyaan seriously, a dedicated team of members works to keep the college, Township and its vicinity clean and green.

Swachhta is observed in Kanmari School. However, the dedicated days momentum given by Swachhta Pakhwada has created a sense of responsibility among individuals. Many activities are taken as routine and non-routine jobs to maintain cleanliness. Regular cleaning, dusting, removal of cobwebs, disposal of scrap, laying of path ways, renovation of Toilets, cleaning of drains, weeding out of old files, equipment's and

furniture, painting etc. are few of the activities undertaken during this period. Planting of saplings also done.

The slogan of Mahavidyalaya is “**SWACHH BAMANPUKUR
MHAVIDYALAYA , SWACHH BHARAT**”.

ROLE OF STUDENTS IN SWACHH BHARAT MISSION

On the date of launching of the Swachh Bharat Abhiyan, the Prime Minister has clearly stated that every student and child will play the most important role in spreading and promoting the cleanliness in whole India that is why he had declared every student of India the brand ambassador of Swachh Bharat Abhiyan.

Swachh Bharat Abhiyan is such an initiative, in which the participation for every individual is equally and very important. Although the Swachh Bharat Abhiyan needs the co-operation of every Indian yet the co-operation of the students of India plays the most important role in making the campaign truly successful. We are describing here few points to elaborate the role of students in Swachh Bharat Abhiyan/Clean India Campaign:
